

Women in Logistics

a few favourite quotes

Women are always beautiful. ~Ville Valo

The rarest thing in the world is a woman who is pleased with photographs **O**f herself. ~Elizabeth Metcalf

They call it PMS because **M**ad Cow Disease was already taken. ~Author Unknown

The supply of good women far **E**xceeds that of the men who deserve them. ~Robert Graves

Women **N**eed to have more than twelve years between the ages of twenty-eight and forty. ~James Thurber, *Time*, 15 August 1960

Women really do rule the world. They just haven't figured it out yet. When they do, and they will, there will be big big trouble.
