**Trans-Logic Executive Search Group Limited  
Names New Manager, Administration, Technology and Communications**

Cambridge, ON – March 12, 2008. **Trans-Logic Executive Search Group Limited**, a recruitment leader in the Logistics, Supply Chain, and Transportation industries, is pleased to announce the appointment of **Jennifer Phelps** to the position of Manager, Administration, Technology and Communications. Jennifer previously held the role of Executive Administrator within this dynamic organization.

**Dawn MacKinnon**, Trans-Logic's President and CEO states "I believe that Trans-Logic can not survive or grow without people who understand that they have an integral part to play. Jennifer is a valuable member of this team with responsibility for many facets of this business. She is essential in the candidate, and client experience, and embodies our mission statement of providing exemplary service to facilitate shared success. I look forward to supporting Jennifer as she takes on this exciting new role."

Trans-Logic Executive Search Group Limited offers executive search services for mid to senior level management positions. Throughout its tenure, the company has become the firm of choice for companies looking to add qualified, experienced professionals to their organization in the Logistics, Supply Chain, and Transportation industries.

Trans-Logic Executive Search Group Limited is based in Cambridge, Ontario and partners with organizations on a national level. For additional information about how Trans-Logic can partner with you or your company, visit [www.trans-logic.ca](http://www.trans-logic.ca).
